

Illinois Institute of Technology is pleased to announce our new & improved recycling program.

RECYCLE

Take part in the campus recycling program:

Paper Recycling & Deskside Blue Bins

Acceptable Materials:

White Paper	Magazines	Brochures
Colored Paper	Newspaper	Blue Prints
Glossy Paper	Envelopes	Post-it Notes
Junk Mail	Manila Folders	Cardboard
Books		

** No need to remove paper clips, staples or rubber bands.*

Bottle and Can Recycling – Centralized Containers

Acceptable Materials:

Aluminum Cans	Plastic Bottles	Glass Bottles
---------------	-----------------	---------------

Unacceptable Materials:

Food Waste	VHS & Cassette Tapes	Carbon Paper
Tissue	Food Wrappers	Photographs
Napkins	Tyvec Envelopes	Ring Binders
Paper Towels	Toner Cartridges	Wood
Waxed Paper	Overheads	

Our recycling program has been redesigned for increased convenience.

Paper recycling will be collected regularly from deskside and centralized containers. Bottle and can recycling will be collected from centralized bins located on each floor.

Recyclables will be picked up separately from garbage. **Please do not contaminate recycling with garbage and food waste.**

Your participation helps to reduce waste, conserve natural resources and reduce costs.
